

5 CORE PILLARS FOR YOUR SUCCESS

Safety as a Culture

We have a zero harm policy anchored by a complete focus on getting each and every one of our staff home safely. From the point of recruitment, we screen our future team members for their safety behaviours and awareness. We have a zero tolerance for unsafe behaviour and work practices.

Scalable Solutions

From a team of 1 to 500, our robust systems and processes enable us to scale your workforce up and down in rapid response to your requirements. Effective roster management with consultation with your managers to meet projected requirements ensures that you deliver on time and on budget.

Industry Leading Technology

Rapid scalability without compromising safety, expertise and performance is achieved through the latest in robust technology. Using a proven technology platform, our team manages people, safety, training, compliance, rostering, reporting and performance in real time, from anywhere.

Transparency & Collaboration

At Lacoa Workforce, we know that the reason we exist is to make your life easier. We build relationships with our clients, our teams and our suppliers which are based on mutual collaboration, respect and a clear focus on delivering the desired outcomes.

Strong IR & HR Platform

We do not skirt under or around the current industrial relations and human resource landscape, we work with it. Our systems are based on clarity of expectations, transparency and communication, keeping our team focused on exceptional service delivery. Our sister business, Lacoa Management has built a successful practice assisting clients in addressing and improving their HR & IR outcomes, and are on hand to coach and guide where necessary.
